

## BOLD AND NATURAL

This natural product is made from ninety-nine percent recycled glass and contains no resins or chemicals, making it the ultimate environmentally friendly surface. Its smooth surface resists bacteria, and requires no maintenance making them perfect for kitchen counter tops. Other applications include:

- tub surrounds
- columns
- islands
- tabletops
- kitchen backsplash
- vanities
- fireplace surround
- water features
- bar tops
- wall cladding
- shelving
- shower stalls

GlassArt Design creates and installs custom glass products for residential and commercial glass applications and has the largest selection of custom glass products in Minnesota. Call or come visit us today.
