

CRAFT AND ENGINEERING

Our mirror is available in classic clear and Antique styles. The classic clear mirror has high silver content and multiple coats of paint on the back to keep the silver from tarnishing. Antique mirror is a custom silvered technique that adds historical design details for visual interest to a mirror. Applications include:

- leded panels
- vanity tops
- doors
- bar backplash
- kitchen backplash
- partitions
- ceiling application
- cabinet door inserts
- tabletops
- elevator application
- shelving
- furniture detail

GlassArt Design creates and installs custom glass products for residential and commercial glass applications and has the largest selection of custom glass products in Minnesota. Call or come visit us today.
